Dear Parents:

We have had an unusual number of students enroll at our school this year. In order to alleviate overcrowded conditions and comply with state limits, we may have to reorganize some of the classes.

We must inform you that your child/children may be reassigned to another teacher or to another school. The decision will be based on last to enroll, first to be reassigned. A waiting list by date and time will be developed and children at the top of the list will be first to be given the opportunity to return to their school of residence when space becomes available.

We thank you for your cooperation.

Sincerely,

Mary Suzuki, Ed. D.  
Assistant Superintendent  
Learning Support Services

**Overcrowding has been explained to me and I understand.**
