

# Join the W.C. Riles PTA for ONLY \$10

We encourage each family member to join the Riles PTA. Being a member simply means that you support our efforts and want to keep our PTA going strong. Your support during the school year will help us raise funds that will go right back toward your child's W.C. Riles school education and experience.

**Please remember, the time you continue to invest in your child is invaluable.** During these middle school years it is so important to continue to show your support and involvement in your child's school careers. Our actions directly impact what our children perceive as important matters. The more active you are with your students, their teachers, and our PTA, the more your children will realize how important school is, they will stay focused, and on the right track!

By joining the PTA, you help keep the PTA strong and growing. There are plenty of opportunities to volunteer...even from the comforts of your own home! If you have any special skills or donations of goods or services that would help the PTA, please let us know! We are always in need of your help! Our meetings and event schedules will be posted to our school's website and on Facebook.

You may contact us at [rilespta@gmail.com](mailto:rilespta@gmail.com) with any comments, ideas, questions, or to notify us that you would like to volunteer at various PTA events during the school year. **Please follow us on Facebook at W.C. Riles PTA.**

**Thank you for your support! We look forward to a fantastic school year!**
