

Position: Elementary Classroom Teacher

Metro Charter Elementary is a high-performing public school located in Downtown Los Angeles. The mission of Metro Charter is to provide an education for all students that is hands-on, balanced and relevant.

Every year students take part in three project-based learning units in which they find solutions to relevant problems. Through this work, students begin to learn the impact they can have on their own community.

Key Qualities and Expectations of a Successful Metro Teacher:

- Works collaboratively in teams, grade levels, and with whole staff to ensure progress towards the mission
- Creates and implements integrated curriculum and lessons, aligned to curricular frameworks
- Creates an environment that fosters creativity and positive self-image
- Creates and maintains an effective learning environment that fosters learning for all students
- Is reflective of their practice and seeks feedback from administration, peers, and other stakeholders
- Builds strong relationships with families and students
- Builds relationships with families and community members
- Believes that every child can succeed and develops curriculum to ensure this success
- Takes personal ownership for their own professional growth and partnering with colleagues to encourage the process.
- Maintains high expectations for all students

Qualifications:

- **Education:** A Bachelor degree, including all courses needed to meet and maintain credential requirements.
- **Credential:** An appropriate, valid, California State Teaching Credential to teach kindergarten/elementary grades in a contained classroom.
- **CLAD/EL authorization** required
- **Experience:** A minimum of the completion of all student teaching required for the appropriate teaching credential.
- **Educational Vision for and experience** with students from a diverse background, including, but not limited to, English Learners, low income, and/or minority students

To apply please send resume and letter of interest to kclerx@metrocharter.org.
