

ACADEMY FOR CLASSICAL EDUCATION ~ 6th Grade Elective Selection for 2018-2019 (for current 5th graders)

Good afternoon! Entering Junior High is a major event for our ACE Scholars. Mrs. Mitchell visited with students in their classrooms today and spoke with them about the big differences between grammar school and junior high school.

Teachers will make recommendations for the academic subjects; however, students will need to choose their own elective courses.

There will be a parent meeting on Monday, March 12 in the large dining hall @6:30 for uprising 6th grade parents.

*All Sixth grade students are required to take:

English	Math
Social Studies	Science
The Well Trained Mind (1 semester)	Additional elective courses*

Students will select from several elective courses. Performing arts classes (Chorus, Band, and Orchestra) are yearlong (taken both first semester and second semester). Latin, Art, Business & Computer Science, Logic, World Geography, French Culture, Drama, Musical Theatre, Piano, Managing Skills, and Physical Education are taken for one semester.

Course descriptions for all junior high electives are on the Academy for Classical Education web page: www.acemacon.org.

(Click the menu in the left corner>click Academics>click Guidance>scroll to Junior High Course Offerings)

Read through all of the course descriptions and then rank your selections 1-8. Number one would be the course you want as your TOP choice; number two would be your second choice, and so forth. Mark your rankings on the worksheet and return it to your homeroom teacher no later than Friday, March 16th

SEMESTER 1 ELECTIVES	SEMESTER 2 ELECTIVES
1. Well Trained Mind (required elective)	1.
2.	2.
3.	3.

*the order of electives/semester will more than likely change according to our schedule
