

SAVE THE DATES

MAY 31st - 3rd Annual St. Baldrick's Event and 1st Wigs For Kids Event

We are excited to bring Wigs For Kids to Holy Trinity this year! Wigs For Kids is a nonprofit organization that has been serving children suffering from hair loss since 1981. If any student, faculty member, family or friend would like to participate in this year's Wigs For Kids, you must have a **minimum of 12 inches for proper hair donation length!!** Pull curly hair straight for a more accurate measurement. Participants-Get Ready, Set, GROW!!

Students, faculty, family and friends will still have the opportunity to "Brave the Shave" and raise monies for pediatric cancer. Last year we had over 90 shavees and together raised over \$28,000 for St. Baldrick's and pediatric cancer research. Looking forward to another successful event!

June 1st- Rock The Challenge/Field Day

More detailed information regarding all three events will be coming home in February's Family Folder. Any questions please feel free to email me at nwoidke@gmail.com
