Admin Corner

Every month, we will be focusing on one of the eight multiple intelligences. This month's M.I. focus is:

Logical-Mathematical or LOGIC SMART

What does it mean to be "logic smart"? Individuals who are "logic smart" love to think about the relationship between numbers and patterns (i.e. mathematicians and scientists).

Parent Corner

Are you wondering how you can better support your child in school? If so, please register for CVESD's 3rd Annual Parent Academy.

Registration is free, but space is limited. If interested or would like for information regarding the event, please visit the website:
