

~Loomis Basin Charter School~
Parent Teacher Club

October 7, 2016

To the wonderful families of the Loomis Basin Charter School:

On behalf of the LBCS PTC, I would like to take the opportunity to thank all of you for continuing to help us make the school so great. LBSC is a school of choice. I am sure you will agree that one of the reasons we choose to send our children here is because of the sense of community we all feel the minute we step on the campus. The staff are amongst the highest quality educators in the area, and the educational and extracurricular programs offered here are second to none. Together, the staff, the quality of education, and the sense of community will help to develop our children into the inquiring, knowledgeable, responsible, and caring young adults we hope for.

A fundamental quality which exists at LBCS, which cannot be compared to other schools, is the parent volunteers. The time and effort you give is paramount. It allows our teachers to focus their attention on personalized instructional techniques not seen in other public classroom settings. The time you give outside the classroom allows our PTC to organize social events and fundraisers which have raised hundreds of thousands of dollars over the years, allowing us to stay on the cutting edge of education based science, technology, engineering, math, and the arts. With our children in mind, I want to re-ignite the fire in each and every one of you to invest your time and volunteer.

As a working parent, I understand the challenges of juggling a busy schedule. If we all work together and give a little extra, there is nothing we cannot accomplish. The teachers need your help and so does the PTC. This is a transitional year. Several members of the PTC will be vacating their positions and this is the last year of our current auction committee. We have a critical need to fill these positions so that we can continue the forward momentum we have worked so hard to achieve. In order to accomplish that, we need you!

Thank you for your time and attention. I am hopeful that we all will take a moment to reflect on what we have done and what we can continue to do to make LBCS great. The staff and the PTC are available should you need any guidance regarding volunteer opportunities.

Very truly yours,

Santos Ramos, President
Loomis Basin Charter School PTC
