

Good Afternoon,

We are 3 days away from the end of the first 9 weeks of the 2017 - 2018 school year. Wednesday is the last day of the grading period. Please encourage your BlackHawk to get all of their missing assignments turned in and study for an upcoming test.

I would appreciate any help you could provide in talking with your BlackHawk about being responsible. We all need reminders from time to time, but we should not have to be reminded to clean up after ourselves and to put trash in trash cans. We have had a few issues with students leaving trash around the school, in the building and outside. Let's all take responsibility for our actions and keeping West Wilkes High School looking great!

Discount cards are still on sale. Please have students turn in their money to first period teachers or stop by the front office to pick up a discount card good for 25 local businesses.

No school for students this Thursday or Friday, as these are teacher workdays.

We have our biggest Athletic Booster Club fundraiser of the year coming up on October 28th. The annual \$10,000 dollar raffle is fast approaching. If you have not bought your ticket, please consider a purchase that will help support the athletes at West Wilkes High School. The booster club will be having a special meeting on Monday evening @ 6:00 in the media center to finalize the details of this event. Everyone is welcome at this meeting. A booster club membership application is attached to your weekly email. The club is seeking new members.

Home Athletic Events!

Wednesday - Soccer vs Elkin

Thursday - JV Football vs Elkin
