

August 30, 2016

Dear Friends, Faculty, Alumni, and Staff,

Greetings from the Friends of Archbishop Ryan High School Alumni Association. My name is Dr. Sean P. Killion '94 and as of June 30, 2015 I have been serving as your President of the Friends of Archbishop Ryan High School (FARHS) Alumni Association. I wanted to take this opportunity to provide some insights into activities over the past year and outline our plans for the future of FARHS.

As noted last year, I pledged that the FARHS Executive Board members and the school administration would work together to support the president, Denise LePera. Denise and her team at Archbishop Ryan High School, including but not limited to school principal Joseph McFadden, '97 and members of the Alumni Office, Father Rene Barczak, OFM and Terri Evans, '82, have been doing excellent work and in preparation for Ryan's 50th Year Anniversary, we are planning many events in conjunction with the school. Our goal is to see Archbishop Ryan continue its image as one of the premier catholic high schools in the region and I hope you will celebrate Ryan's milestone anniversary with us this year. Please check out Ryan's website for details about events being scheduled through the 2016-2017 school year.

On Thursday, September 8, 2016, the FARHS Alumni Association will host its first Executive Board meeting of the year. If you are interested in learning more about serving on the FARHS Executive Board or any one of the committees designed to support the efforts and initiatives of the Alumni and school, please feel free to contact me by e-mail about opportunities to get involved at RyanAlumniPres@gmail.com.

In the coming weeks, you will learn more about programs we are planning to launch this year such as the Class Ambassador Program where representatives from each class year will be asked to help support and build Alumni engagement programs and our annual events like Designer Bag Bingo. I hope you will consider helping us plan and organize these efforts along with helping us encourage participation from your friends and family members. We will need these efforts in order to reach our goals.

If you have anything you would like to share with me, please don't hesitate to e-mail me.

Best wishes,

A handwritten signature in black ink that reads 'Sean P. Killion'.

Sean P. Killion, Ed.D., M.B.A. '94
