

Roadrunner Coffee

St. Anthony School has partnered with Poverty Bay Coffee Company to make available "Roadrunner Coffee." Poverty Bay is a small-batch micro-roaster in Seattle. They roast the raw, green Arabica beans the day they are ordered. This way each order is as fresh as it could possibly be! Their coffees are shade-grown, 100% sustainable and purchased from the farmers at a price that exceeds Fair Trade Coffee standards.

With every purchase of this delicious coffee, \$2.50 is donated to the Father Lane Endowment Fund.

Roadrunner Coffee (1 lb. bags): \$9.50

Start your morning off with a *GREAT* cup of coffee while supporting an important cause.
All proceeds go to the Fr. Lane Endowment Fund.

Please fill out the following information and return to the school office with full payment.

Checks are to be made out to St. Anthony School. Orders received by 2:00 pm Friday, will be delivered to your oldest student's classroom the next Friday. Orders received after Friday afternoon cutoff may be delayed by a week.
