

# Spotlight ... Ardmore City Schools

## ONE TEAM. ONE MISSION.

### An Update from Superintendent Kim Holland

Edition 15  
December 8, 2017

#### KEEPING YOU CONNECTED

School Way is a free mobile app that enables you to connect to the district and your child's school with news and information through "push notifications."

Download it from your app store today & give it a try.

#### A Chilly Carriage Ride

During this year's "Lincoln Jingle," the Lincoln PTO provided staff members with a horse drawn carriage ride during their planning time. Looks like fun!

Art students at AHS are in for a treat this week working with a visiting artist, Shelly Rick. Thank you Mrs. Clymore for giving the students this opportunity.

AHS class competition food drive continues. Looks like the sophomore class is doing a great job.

#### Are you registered to vote?

Be an active partner in the decisions that will directly affect your child & the future plans of the school district.

We will have some opportunities for you to register at select school events.

You can also register in person at the Carter County Election Office located at 106 Hinkle Street just east of the courthouse. You can also register online at [www.ok.gov/elections](http://www.ok.gov/elections).

#### SAFETY FIRST

Not only are schools in Oklahoma required to conduct fire drills & tornado drills, but also "lockdown" drills. Students at AHS this morning participated in a lockdown drill. Classroom doors are locked, the lights are off and the students are silent!

**Charles Evans All Stars for November! Awesome group of students. Great job.**

#### ACS Elementary Honor Choir Annual Holiday Performance

These students have been working hard for months & they sounded great!

#### "Caution | Cuteness Alert" Will Rogers this Week
