

STEPHENVILLE OPTIMIST CLUB

October 29, 2015

Dear Friend,

The Stephenville Optimist Club is once again proud to sponsor the "**Optimist Toys for Kids**" campaign. We are looking forward to helping kids in Erath County have a happy holiday season. Last year was another success as over three hundred children participated in the program. This has become one of the largest and most satisfying events the Optimist Club sponsors.

We realize that there may be a special opportunity to help a child whom you as a teacher or an administrator may recognize as being in need of our assistance this Christmas. Our desire is to reach as many children in need as possible, and we ask that you assist us in this worthwhile endeavor. Please help us by informing the parents of any child who needs such assistance to submit an application as soon as possible.

Jill Scott has kindly offered her assistance again this year in completing and processing the applications. Parents should apply at H.O.P.E., Inc. located at 1617 E. Washington Street in Stephenville on **Tuesday or Friday morning between 9:00 a.m. and 12:00 noon**. The deadline for submitting applications will be **Friday, December 4, 2015**.

The "Optimist Toys for Kids" campaign would not be a success without the support and generosity of the community and its caring people. We thank you for your help.

Sincerely,

Lori Hurford and Harriet Frazier
Chairmen, "Toys for Kids" Campaign
