

# Morrish Parking Lot Map & Procedures

Please help us make our parking lot safe and efficient by following the parking lot procedures:

- 1) If you enter in the first lane, you may pick up or drop off your child on the right of your vehicle. Please do not leave the vehicle.
- 2) If you enter in the second lane, you must not stop. Please proceed to a parking spot. Please make sure all elementary children are accompanied by an adult when crossing through the parking lot.
- 3) Please follow the arrows: South to east to north to west to north. All vehicles need to follow the loop to exit.
- 4) Please share this map with friends and relatives picking up your children.
