

TISD

ANNUAL FOOD DRIVE

Temple ISD will once again hold a district wide food drive during the week of Nov. 9-13

This year, we are collecting cans of meat – soups, chili, chicken, tuna – any potted meat (Even Spam or Vienna sausages, yum)

A collection point will be set up in the front area of the school. Drop off can be made anytime during the day or sent to school with students.

The food collected will be donated to Churches Touching Lives for Christ (CTLIC)
