

Casey Thomas

3rd Grade Teacher at Cornell Elementary

Casey was nominated by her Principal who says: “Over her tenure at Cornell Elementary School she has taught three different grade levels with the same end results, excellent student achievement outcomes and caring, long-lasting relationships with her students. Mrs. Thomas is more than a teacher to many of her students. She is a caregiver, provider and counselor at all different times when needed. She is an asset to her students, her colleagues and to the district and very deserving of this award!”
