

Health Screening Information

During the school year, the following health screenings will take place as part of the health services to your child, and fulfillment of the health screening laws of the State of Indiana. Some students will receive referral letters from the school nurse as the result of these screenings.

HEARING SCREENING

Hearing screenings will be conducted according to IC 20-34-3-14, on all students in grades **1-4-7, and 10** as mandated by the state. We will also check all students new to the school, and any others by special request. The school nurse, or trained volunteers, will conduct this screening. Re-checks will be done at least 2 weeks later on students who have questionable results and referral letters will be sent to those who do not meet the required thresholds on these rechecks. The school nurse will also notify the teachers of those students that referral letters are sent to.

PLEASE COMPLETE AND RETURN ALL REFERRAL FORMS TO THE ATTENTION OF THE SCHOOL NURSE.

VISION SCREENING

Both far and near vision screening will be conducted according to IC 20-31-3-12 for all students in grades **3-5-8**. We will also check all students by special request. The school nurse, or trained volunteers, will conduct this screening. This Indiana Law also requires that **either K or grade 1** be examined by an eye professional, so we have decided to send all of our kindergarten students for the FREE exam that local eye Dr's have offered to us. Re-checks will be done on students who have questionable results and referral letters will be sent to those who do not meet the minimum requirements on these rechecks. The school nurse will also notify the teachers of those students that referral letters are sent to.
