Celebration of Learning

Spring 2018 Student-Led Conferences

Dear Families,

Time is quickly approaching for our spring conferences. These conferences will be **student-led** and are an exciting way for your child to show how he/she has grown as a learner. Your child will be walking you through his/her year, showing you progress made since the beginning of the school year and goals he/she has made for the remainder of the school year. Your child will also share with you his/her Leadership Victories, Leadership Roles and other classroom artifacts. Humanities teachers will have activities and/or work samples that your child can share with you.

- **Please plan on you and your child attending at any time from 3:30-6:30 p.m. on Thursday, April 26th. There will not be scheduled times.**
- **If you would like your child to bring his/her leadership notebook home for the student-led conference, just inform your child's teacher.**
- **If you feel the student-led conference does not meet all of your needs and you have additional questions or concerns, please email your child's teacher to set up a time. Times available include Thursday, April 26th from 1:15-3:00 p.m. and Friday, April 27th from 1:15-3:45 p.m.**
- **Please remember that placements for 2018-2019 will not be discussed at this time. Parent input forms will be available in mid-May.**

This is a wonderful opportunity for your child to be a leader and also be the owner of his/her learning. We look forward to this conference as being a special celebration of your child's growth as a learner and a leader throughout this school year!
