ITEM: PROMOTING SAFE, SUPPORTIVE, AND COLLABORATIVE ENVIRONMENTS FOR ALL STUDENTS AND STAFF

PREPARED BY: MARIE WILLIAMS, DIRECTOR III--CURRICULUM, INSTRUCTION AND ASSESSMENT

TYPE OF ITEM: STAFF REPORT

PURPOSE:

The purpose of this staff report is to provide an overview of the California Dashboard and highlight the indicators that measure district performance and progress in ensuring safe, supportive, and collaborative environments for all students and staff.

BACKGROUND INFORMATION:

The Governing Board, District staff, and Albany community continue to engage in dialogue around strategies to ensure respect, inclusion, and empathy for all members of the learning community.

DETAILS:

Historically, district performance has been measured primarily by test performance. California's new assessment and accountability system measures progress and performance using several indicators such as parent engagement, school climate, suspension rates, and chronic absenteeism, in addition to test performance. The CA Dashboard is currently being updated and data from the 2016-2017 school year will be released throughout the month of November.

STRATEGIC GOALS ADDRESSED:

Objective #3: Communicate and Lead Together. Goal: All stakeholders will collaborate and communicate about decisions that guide the sites and district.

RECOMMENDATION: RECEIVE THE STAFF REPORT ON PROMOTING SAFE, SUPPORTIVE, AND COLLABORATIVE ENVIRONMENTS FOR ALL STUDENTS
