Dear Family and Friends,

Greenwood Elementary is "Pulling for the House" and we hope you will help. Ronald McDonald House Charities in Greater Washington, DC (RMHCDC) eases hardship of children's illness on families through the programs that directly improve health and well-being of children. By focusing on the critical needs of children, RMHCDC believes that you can change their lives, the lives of their families, and ultimately, our community. Pop tab collection helps raise funds to run and maintain their two Ronald McDonald Houses, which have a total of 33 bedrooms, 4 kitchens and in the last 36 years, have shared more than 191,000 nights with families in need.

Pop tabs are clean and easy to collect and come at no additional cost to you! RMDHDC and I know you have many other demands on your time and we appreciate any small way you can help make our efforts to "Pull for the House" as success.

As a Pop Tab Ambassador, Greenwood Elementary is collecting in every classroom for the next couple of months. Your trash will be transformed into treasured nights for families. Please remember when collecting:

- We accept tabs of all types and colors as long as they are aluminum! This includes soda tabs, pet food can tabs, soup can tabs and even colored tabs.

Thank you for your time and I hope we can count on your support for this project! Start Collecting!

Many Hearts. One Home.
