On Friday Feb 2 the Club awarded Alec J. Nova Lopez with this year's first Lloyd School Student of the Month. Alec is an exemplary student, intelligent with a strong work ethic, rarely misses school and is always on time. In class he puts 100% effort to everything he does, is very polite and cordial to the adults on campus and is kind and considerate to his friends. Alec is aspiring to be a nurse and we are thrilled to recognize Alec for all he has accomplished and wish him a wonderful future.
