

# Oster Art Club

We are excited to announce Oster's 1st and 2nd grade art club!  
Club members will gain experience with drawing, painting, collage, and more!

15 participants will be RANDOMLY selected for each session out of the students who apply to join the club and will be notified as to which session they will be in.

The Art Club will be held on **Mondays** in the **Makerspace** from **2:40-4:15**. From 2:40-3 students will work on sketching or on ipads with Miss Kaitlin Klein supervising, until Mrs. Blomseth's kindergarteners leave at 2:50. Mrs. Blomseth will teach the art class from 3-4:15.
