

## UNION SCHOOL DISTRICT

### Supervisor, Maintenance & Operations

#### **The Position**

Under the direction of the Director of Operations, the Supervisor, Maintenance & Operations plans, organizes, supervises, trains and evaluates activities and personnel of the Maintenance and Operations (M&O) Department; supervises and evaluates the timely, safe and efficient work of repairs, upkeep, grounds care, delivery, warehousing and cleaning; and performs related work as required.

#### **REPRESENTATIVE DUTIES:**

- Leads and coordinates the duties of but not limited to:
  - Grounds Maintenance Workers
  - Maintenance Specialists
  - Custodians [when school is not in session]
- Directs, plans and coordinates the maintenance, operation, repair and alteration of District facilities;
- Reviews and evaluates: work methods and procedures; supply, material and equipment requirements; operational matters and priorities; and confers with the Director of Operations if necessary, regarding these issues;
- Manages the District work order system, reviewing and approving work requisitions and all expenditures in accordance with the approved M&O budget;
- Prepares, submits and monitors M&O budgets;
- Requests, reviews and approves vendor quotes for construction and repair projects;
- Recommends procedural changes for maintenance, grounds, custodial, delivery and warehouse functions;
- Supervises, counsels and evaluates M&O employees;
- Develops and implements department staff trainings and meetings;
- Coordinates and assigns M&O staff to departmental routines and schedules, and site emergencies;
- Implements and oversees the M&O safety program and plans and coordinates safety and annual risk management training sessions for M&O and custodial staff;
- Reviews accident reports and makes necessary recommendations;
- Oversees security systems, including fire and burglar protection and alarms; hires security vendors as needed for special patrols;
- Manages, enforces policy on, and keeps detailed records on locks, cylinders and keys;
- Organizes and supervises custodial work during summer cleaning; obtains custodial substitutes and approves necessary overtime;
- Maintains inventory of vehicles and large equipment and creates a replacement schedule;
- Ensures that staff is provided with appropriate, efficient and safe tools/equipment to perform their jobs.

- Assists in the development of a District Five-Year Deferred Maintenance Plan;
- Surveys the District yearly for possible hazardous waste and contracts for disposal through an approved company and manages the storage and disposal of all hazardous waste at the school sites and the Corporation Yard;
- Works with leasees from the closed sites and the District's Property Manager to resolve building and site problems that are the District's responsibility as defined in the leases;
- Responds either by phone or in person to emergency problems after normal business hours and on weekends or holidays;
- Works with administrators on resolving site problems that pertain to the purview of this position;
- Assists the Director of Operations and the Assistant Superintendent, Business Services in working with the youth athletic leagues on assigning of fields, processing applications and field concerns;
- Processes and gives final approval for site facility use including collecting insurance verification, fees, and in some instances, fingerprinting results;
- Responds to system problems such as bells, telephones, intercoms, alarms, exterior lighting, heating and air conditioning;
- Manages turf and approves schedules for fertilizing, weed spraying, mowing, aerating, pest abatement, watering and irrigation repairs;
- Maintains communication with District personnel and members of the community in relation to maintenance and grounds complaints, emergencies and general site issues;
- Ensures that safety practices are in place, followed and maintained as required for department staff; follows State required programs such as Williams Act Facility Inspections, Public Works Reporting, Indoor Air Quality, Integrated Pest Management (IPM), hazardous materials, fire and safety procedures. Acts as District's IPM Coordinator;
- Maintains District policies and procedures in relation to time sheets, attendance sheets, absence forms, etc.;
- Handles sensitive employee-employer relationship issues and documentation in coordination with the Business Services and Human Resources Departments, including issues concerning disciplinary action, evaluation procedures and Workers' Compensation claims;
- Assists in implementing and maintaining established goals, objectives, policies and priorities relating to M&O activities;
- Manages the District two-way radio communication system;
- Manages surplus inventory for sale or disposal;
- Manages building blueprint inventory and construction close-out documentation;
- Maintains and follows CUPCCAA purchasing program;
- Works with outside consultants such as architects and engineers to develop plans for repair projects;
- Works with parent or community groups on school improvement projects;
- Attends evening meetings, including monthly board meetings; and
- Performs related duties as assigned.
