BCHS Student Council

Over the Martin Luther King Jr. holiday weekend, members from Beau Chene's Student Council attended LASC in Shreveport, Louisiana. There, they were able to socialize with schools from around the state and gain insight on how to continue growing their club. Our Student Council helped the state raise over \$61,000 and two U-Haul truck loads of supplies for MDA's Camp Starlite. Beau Chene also received an award for Guidance Counselor Appreciation Week and LASC Appreciation Award for supporting the state charity. Thank you Student Council for all that you do for our school!
