

WABASH COUNTY PROMISE

Presenting Sponsor: Beauchamp McSpadden

I remember going to kindergarten at Emmanuel Christian School. My teacher's name was Mrs. Gouran. She taught us how to add by putting toys together. One toy plus another toy equals two toys.

Now I go to Ivy Tech Community College. I am learning to be a Paramedic so I can help people in the ambulance.

I like college, because I meet people with the same interests as me.

EMS workers are my heroes
