Dear Parents:

This letter is to advise you that on Monday, April 17, 2017, the Trinity County Sheriff's office began an investigation based on a report that two students were making plans of violence upon certain students. We took immediate action upon learning of the alleged threats and called the law enforcement regarding the matter. I want to assure the Groveton ISD community that our school is a safe environment. No Groveton ISD student was harmed in this incident and our response was immediate.

Please be assured that our students' safety is paramount to the District. We will continue to take all measures to maintain a safe and secure environment at all of our campuses. Groveton ISD takes any threats or acts of violence very seriously. Disciplinary action will be taken according to school district policy. Due to state and federal privacy laws, the District will not disclose any further information concerning this matter. Feel free to contact me if you or your children have any safety related concerns.

Sincerely,

Don Hamilton  
Superintendent of Schools  
Groveton ISD
