## Spotlight on Hartford Upper Elementary Hartford Happenings

*Hartford Expectations*

The 2017-18 school year has started off fast and furious at Hartford Upper Elementary. We have been in school less than three weeks and students and staff are getting settled into their “regular” routines. Having the two largest classes in the entire district has caused a few noticeable changes, but overall it has been a great start to the school year.

In Hartford alone, we have 27 new students in our building. The counselor and I have met with each of them. It is great to see so many new faces.

We implemented a new after-school program at Hartford this year called “Girls on the Run”. The curriculum for the program is provided by the YMCA and includes topics such as: making friends, coping with emotions, making connections, etc. The students have a lesson and physical exercise each day. The final day consists of completing a 5K run/walk in Des Moines with several other schools and districts.

Several of our 5<sup>th</sup> grade parents assisted in the concession stand for our first home varsity game last week. The booster club pays a portion of the funds raised in the stand to groups willing to assist. We have done this each year for the past 5-6 years and typically make between \$300-\$500 dollars to assist those students that need extra support in attending our Y-camp trip in May.

Last night was the parent meeting for 5<sup>th</sup> grade band. We had many parents show up and the kids are very excited to get started. The meeting included information on what band looks like at this level and what expectations were for students and families. Families were also able to sign up to rent or purchase instruments and materials needed for band.

We are off and running at Hartford and students and staff are working extremely hard so that we will have a successful year in the classroom and beyond.

## Carlisle Schools Food Pantry

Just a reminder the Carlisle Schools Food Pantry is open to the public on the 1<sup>st</sup> and 3<sup>rd</sup> Thursdays of the month from 4:00 p.m.—6:00 p.m. at the West entrance of the High School building in Room 106. (The doors between the Elementary and High School). Please do not arrive before 3:40 p.m. to allow our students and buses to safely exit the facility.

Hartford Upper Elementary and Carlisle Middle School also have a mini pantry to help students and families at any time.

If you are unable to make it to the Food Pantry during the open times, you can contact the High School Office to set up an appointment (515-989-5389).

## Football Stadium Re-Entry Changes for 2017 Season

Doane Hakes Stadium will have a no re-entry policy effective with the 2017 football season for students. School/District administrators may allow student exceptions, and exceptions will be made for medical emergency situations. This change is to ensure a safe and more secure environment for everyone at Doane Hakes Stadium. Keeping our fans, coaches, student-athletes and officials safe and secure on game nights is of the highest priority.

## It's Time for Football!!
