

**Blended Preschool  
2018-2019 School Year**

“An Early Learning Option Available to Families”  
Fee-Based Program

Cheney Public Schools is pleased to provide your child with the opportunity to participate in a blended preschool program, taught by certificated teachers. We believe the blended preschool program will provide an excellent start on your child’s formal education.

The blended preschool program requires payment of a monthly fee over the course of 10 months. The payment is a consistent monthly amount. The initial payment is due on **the 10th of September** and then by **the fifth (5th) day of each month** for the months of October through June. There are a total of 68 school days for Monday-Wednesday sessions and 72 school days for Tuesday-Thursday sessions.

The cost for the school year is approximately \$29/day or \$18/day for qualifying families. The blended preschool monthly tuition fee is dependent on 2018-2019 USDA family income guidelines (based on free/reduced meal application).
