## PARENT CONFERENCES

Parent Conferences are scheduled for November 9-10, 2017 (Thursday / Friday). I encourage all parents to take this opportunity to meet with your child's teacher.

## SAFETY UPDATE

The students at Mars Area Elementary do take part in monthly "fired drills" and "lockdown drills". It is important for students and staff to be prepared in the case of an emergency. These drills also help to provide an opportunity for open discussion between the children and their parents regarding safety at school, home, and play.

## HATS FOR HEROES

Our Hats for Heroes Day at Mars Area Elementary School raised \$3,835.00 from our students and parents. Students in Grades K-8 collected \$ 10,437.66.

## ASSET SCIENCE

By late November, our students will have completed their first Science Units/Modules. During the next trimester of the school year, our students will be exploring “Changes” in Grade 2, “Chemical Tests” in Grade 3, And “Magnetism/Electricity” Grade 4.

Grade 4 students will also explore An engineering component entitled “The Attraction Is Obvious, Designing A Maglev System.

## NOVEMBER VACATION DAYS

School will not be in session on the following days:

November 9, 2017 Parent Conferences

November 10, 2017 Veteran’s Day/ Parent Conferences

November 23-27, 2017 Thanksgiving Break

## SET YOUR CLOCKS

Daylight Savings Time ends on Sunday November 5, 2017  
So remember to move those clocks back. Please take a few moments to change the batteries in you smoke detectors while you are thinking about it....

We want to keep all of our families safe!
