

The Hale Parent Center Needs Help!

We are asking the Hale family for any donations to the new Parent Center. This room will be designed for parents to meet, gather and participate in workshops that will encourage involvement at the school. Our goal is to create a welcoming space where parents can feel safe to reach out to other parents, teachers and staff. Since this is a new project, we need some support getting started. We currently are in need of the following:

- Gently used technology such as a printers, desktop computers or laptops
- Area Rugs
- Coffee Tables
- Side tables
- Young children's books
- Toys for child area
- Decorations such as bulletin borders, artificial flowers and plants
- Table cloths

Please email the Parent Liaison, Ms. Escalante at vme7470@lausd.net if you would like to make a contribution to our Parent Center.
