Agenda

Welcome

Deborah Loessin

Review 12/12/17 Meeting Minutes

Consensus was that minutes accurately reflected the previous meeting.

Deborah Loessin

Emergency Operations and Safety update

Dr. Morris reported that the city is coordinating a meeting between the city, schools, police force, emergency providers, etc in the area to discuss needs in case of a..... The police will be doing walk thurs of the schools during Spring Break and allowing all officers to become familiar with the schools layout.

Dr. Morris

Dr. Morris further stated that safety audits are currently in progress at the schools to see what changes are needed along with budget considerations. Options such as installations of safety vestiles, ID scanners for employees, voice over IP system and many other ideas are being researched to provide for a safe as possible school zone.

Fitness Gram/PE update

Ms. Leopold gave an update of the Fitness Gram the current activites in preparation for the testing beginning after Spring Break. Parents were also informed where their child's current standing in the Fitness Gram.

Julie Leopold

Nutrition Program – Food Service audit update

Dr. Morris reported that the Food Service auditor commented that this was "by far the easiest and best audit". The program only had one minor finding that was corrected and resubmitted. Credit was give to Ms. Woytek and Ms. A. Lopez for their diligent work.

Cheryl Woytek

Influenza Vaccinations and Prognosis update

with recommendations for schools

Ms. Sodek reported that the flu has slowed down but is expected to possibly continue through June. Recommendations are still to get the flu shot if not already received. Flu shots are available free of charge at the Health Department. Schools should practice good hygiene and students should go home if sick.

Kim Sodek

Pediculosis update

Deborah Loessin

Ms. Loessin reviewed S.B. No. 1566 concerning the notice of lice. To meet this compliance, a parent lice notification letter was presented to the committee for review, along with lice treatment guides for parents.

Other Business

Change May meeting to May 2nd.
