School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

The purpose of Jellick Elementary School is to prepare and support all students to develop a strong social-emotional foundation, achieve at high levels academically, and behave in a socially responsible manner, so they advance to the next level.

Jellick’s Behavioral Expectations: Jellick Jaguars belong to a pride where they achieve their best, behave responsibly, and communicate effectively within their community as scholars and citizens.

Our Jaguars are CUBS who:
 Communicate Caring
 Uphold Integrity
 Behave Responsibly (safety)
 Show Respect To Others

Jellick is one of 19 Rowland Unified School District sites. The district built Jellick in 1966, and we recently celebrated our 50th anniversary. Jellick serves students in grades transitional kindergarten through sixth. Our faculty has high expectations for our students, and we are proud of the accomplishments and efforts of our students and staff have produced over the years. Parents and school work together to maintain an academic focus and a positive learning environment that supports the whole child. For 2015-16, The California Department of Education recognized Jellick with three awards:

- California Golden Ribbon
- Title I Academic Achievement Award
- PBIS Bronze Medal

All students have access to textbooks in the core subjects. Jellick Elementary provides supplemental materials, instructional programs, and technology as needed to enhance instruction for our diverse population. Categorical funding has enabled Jellick to provide a broad range of services to our student population including:

- Outdoor Science School
- Parent education activities such as Family Literacy Night, Family Science Night, Kinder Academy, and Parent Academy Conference
- STEM activities, Science Club and Science Olympiad
- GATE Enrichment program
- Community library hours before and after school
- Positive Behavior Interventions and Support (PBIS), including recognitions and incentives
- 21st Century technology to prepare students for college and career
- Professional development for teachers in technology, reading, mathematics, Professional Learning Communities, and social-emotional supports
- Assemblies to foster student support, safety, and wellness

Jellick Elementary’s motto is, “Jaguars Never Quit!” Learning is about mindset, and having a growth mindset increases the likelihood of success. Our motto fosters the “not yet” attitude. Learning is hard, and you may not understand it (yet). We work together to help all students where they are at to get them to the next level. We all keep working and never quit.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Rowland USD demonstrates our core values of safety and excellence by our commitment to provide the best maintained and cleanest facilities possible. School site inspections are conducted on a regular basis to assess cleanliness and safety at all district sites. Work associated with the district's Measure R 2006 bond program is near completion. During the 2013-2014 school year, extensive renovations took place at many schools within Rowland USD. These improvements included:

- New casework in classrooms
- Replacement of underground infrastructure
- Upgrades to landscaping
- Removal of unsafe concrete walks and installation of new ones
- Electrical upgrades
- New intercom systems
- New door hardware for enhanced security

Regular pest control operations (including pesticide applications) are ongoing. Employees perform this work in strict accordance with applicable regulations. Rowland USD's district's facilities and custodial manager continuously evaluate site cleanliness, which includes the evaluation of new cleaning products, equipment, and procedures. District personnel performs timely maintenance with health, life, and safety issues taking the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

As their children's first and most important teachers, parents are involved and supported as participants in home-learning activities, including supervising assigned homework, daily reading, and family discussions that reinforce or enrich children's classroom learning. Parents are invited to support their children by attending parent conferences and workshops, student performances, parent meetings or events, assemblies, and sports events. Programs and opportunities for parent involvement include:

- Jellick PTA: Our Parent Teacher Association is dedicated to promoting our students' well-being and personal success through strong parent, family, and community involvement, sponsored activities and fundraising. Our PTA brings into closer relationship the home and the school, as Jellick parents and teachers cooperate to ensure a goal of a quality education and a nurturing environment for every Jellick child.
- School Site Council, English Learner Advisory Committee, GATE Parent Advisory Committee: The school site council and advisory committees play an important role in decision-making, providing input on goals of the school and evaluating the school's progress toward those goals.
- Parent Workshops available to all parents with a focus on literacy, math, science, and the home/school connection. Our Kinder Academies offer parents opportunities to have hands-on experiences to see, learn, and do kindergarten standards and curriculum.
- Monthly parent meetings with the principals and our Family Resource Center. Informal monthly meeting that allow parents to share their thoughts and concerns with the principal.
- Family Resource Center provides Morning Break Club for parents to learn about resources to support learning, health, and education.
- Community-Based English Tutoring (CBET): In June 1998, California voters passed Proposition 227. A portion of this proposition requires the legislature to provide free or subsidized English language instruction to parents or other community members who pledge to provide English tutoring to their children at home and at school. CBET parents are encouraged and supported to continue their education and in their efforts to provide safe and positive home environment; thereby fostering self-confidence and high expectations for their children.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2016-17)

Once again, the California Department of Education's Safe Schools Assessment Program has designated Rowland Unified as among the safest school districts in the East San Gabriel Valley. Safety is a core value at Rowland. Therefore safety is at the forefront of all decision-making. Jellick's school site Safety Plan safeguards the well-being of students and staff. The School Safety Plan is reviewed annually by faculty and school advisory boards to ensure up-to-date information and effective procedures. The plan was reviewed, updated and discussed with school faculty in September 2015 before the annual statewide earthquake drill. The Safety Plan is approved by the School Site Council each year.

Check-in procedures, combined with restricted access through the school office, limit the number of visitors on campus. A parent sign-in and sign-out procedure assure student safety. Jellick is a closed campus secured with fencing and locked gates. In addition to our Rowland Police Department, Jellick has a strong relationship with all local law enforcement agencies. Our security cameras to enhance our school's safety, before, during, and after school hours.

Our Safety Plan also includes steps to take when students' behavior is unsafe or inhibits the learning on campus. Jellick supports citizenship by focusing on character development with Character Counts!. Character Counts! has six pillars of character: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship. Jellick was recently recognized by the state for our character education program and awarded us a Golden Ribbon. The state also recognized our work with Positive Behavior Intervention and Support (PBIS) and awarded Jellick a Bronze Medal.

We have systems to document and counsel students when they break the rules or need reminders. We also have reward and recognitions to support positive behaviors. Jellick recognizes students at monthly assemblies for consistently demonstrating positive character traits. Our commitment to safety is further evidenced by:

- Strong partnerships with law enforcement agencies through Operation Safe Community.
- Ongoing training and practice drills keep staff attuned to crisis warning signs.
- Campus peace officers patrol schools and District facilities before, during and after school at all school and District-sponsored events.
- All schools have safety plans, conduct monthly safety drills, and maintain emergency supplies for students and staff.
- All schools have upgraded phone, fire alarm, intercom and other communications systems. Teachers can call outside numbers - including 911 - in the event of an emergency.
- Standardized dress and strictly enforced dress code policies keep students focused and safe.

Thanks to the passage of Measure R, a \$70 million general obligation bond, the district will continue to invest in safety improvements on all campuses. Modernization efforts include the removal of asbestos, the addition of exterior safety lighting, the replacement of fencing, the installation of new communications systems, and the installation of security cameras.

Types of Services Funded (Fiscal Year 2015-16)

The Rowland Unified School District promotes, expects, and accepts nothing short of excellence. We have a collective commitment to be the best school district in California and provide comprehensive, well-rounded, and rigorous educational experiences to all students, which are supported by engaging teaching strategies.

These include but are not limited to the following:

Gifted and Talented Education - Students who are identified as gifted and talented are provided with academic enrichment activities and classroom work as well as differentiated instruction and leadership development. In addition, the district hosts special GATE parent education sessions and educational field trips.

Advanced Placement classes - a variety of arts-related activities, honor societies, after school clubs, academic competitions, and Certificate Programs are among the offerings available for high school students. International Baccalaureate - Rowland Unified School District now has over 500 students enrolled in the IB program.

Last year many students from Rowland and Nogales High Schools completed the requirements and had the honor of being RUSD IB diploma graduates.

Family Resource Center (FRC) - The FRC provides an array of social services such as parent education, provider education, and parent and child interactive programs, along with health and support services.

6th Grade Algebra - This program, which earned a California School Board Golden Bell Award, readies students for advanced math in intermediate and high school. Algebra is a graduation requirement. Students who take Algebra early have the flexibility in their schedule to take more Advanced Placement (AP) and/or International Baccalaureate (IB) courses when in high school.

Transitional Kindergarten - Transitional kindergarten allows for pre-kindergarten age students to receive instruction in a classroom that is commensurate with their age and ability level.

Technology - Access to technology is woven into the curriculum, and the graduation requirements. Most classrooms have computer stations, as well as other technology that supports classroom learning. Structured computer lab time ensures that students are well-versed and practiced in using today's technology for homework, classroom projects, and research.

M.I.N.D. Institute - A research-based K-4 math literacy program that integrates music (electronic keyboard instruction) and math video games to teach complex, abstract math concepts.

Advancement Via Individual Determination (AVID) - a college preparatory program that holds students accountable to the highest standards and provides academic and social support. AVID brings research-based curriculum and strategies to students each day that develop critical thinking, literacy, and math skills across all content areas.

Community Day School - Small class sizes enable teachers in RUSD's three Community Day School classrooms to provide personalized instruction to students, in grades 7 through 12, who have discipline/attendance problems. This class format enables students to improve their grades, make up credits, and improve their school attendance and return to their home school.

Summer School Programs for students at the Elementary and Secondary levels.

Supplemental educational services (SES) were provided under a school's federal accountability PI status. Additional academic instruction was provided outside of the regular school day and designed to increase the academic achievement of students attending these schools.
