Performing Arts Academy

The curriculum in Millikan’s Performing Arts Academy is designed to provide advanced instruction in the performing arts disciplines. Students selected for the Academy must maintain a grade point average of 2.0 to participate. They are also eligible for inclusion in the SAS program based on academic qualifications.

Entrance is by assessment through the Academy application process. Acceptance into the Academy is not a permit to enroll in the school. Students must meet Millikan’s residential requirements or secure a Charter Lottery seat. Transportation is not provided with this program.
