

Free Smoke Alarms for Keiki & Kupuna American Red Cross Hawaii State Chapter

The American Red Cross of Hawaii, Honolulu Fire Department, and other area partners are working together to install free Smoke Alarms in homes with children and seniors in Hawaii.

If you would like to be a part of this free program, please call the Red Cross at 739-8111, leave your name, phone number and address. We will call you back to schedule an appointment to install the smoke alarms.

The Red Cross Home Fire Preparedness Campaign's goal is to reduce home fire fatalities by installing smoke alarms, teaching residents how to test them monthly, and helping create and practice a fire escape plan to get out of your home in 2 minutes or less.
