

## School Supply List

### What is needed...

Luckily for students of Upshur County, all basic supplies are provided by the school because of the Levy. These are items such as paper, pencil, crayons, glue, etc. However, there are items that the students may need throughout the school year that go beyond what is covered by the Levy. Teachers may be in contact with parents if special items are needed. Below is a list of items that are always in high demand:

- Tissues
- Clothing for the closet in case of accidents.
- Old, gently worn shoes for the closet to borrow for PE.
- Sandwich bags
- Small sponges
- Band-aids of all shapes and sizes.
- Parents and guardians to volunteer!!!
