SAT (www.collegeboard.com)

- **How many SAT fee waivers can I use?**
2 fee waivers for the SAT Reasoning Test (in 11th and 12th grade only)
2 fee waivers for the SAT Subject Tests, up to three tests per test date (10th, 11th, 12th grade)
- **How do I use the fee waiver?**
Set up an account at www.collegeboard.com. In the payment area, enter the 12 digit code from the fee waiver card.
- **Is there a fee to send SAT scores to colleges?**
Scores can be sent to up to 8 colleges for free:
-4 at the time of the test (for all students)
-4 at a later date (if you used a fee waiver)
To get maximum free score reports, you must list 4 colleges when you register for the test. List 4 colleges you are likely to apply to. Four additional score reports can be sent at a later date. For more than 8 schools, there is a fee.
- **How do I report SAT scores to Cal State?**
Scores can be sent to all Cal States by using the **csumentor code – 3594**.
- **How do I report SAT scores to University of California?**
Send scores to one UC campus; all campuses will be able to access your scores.

ACT (www.actstudent.org)

- **How many ACT fee waivers can I use?**
2 fee waivers for the ACT (in 11th and 12th grade only)
- **How do I use the fee waiver?**
Go to www.actstudent.org and set up an account for yourself. When you register, it will ask you for the 11 digit code at the top right of the fee waiver form.
- **What's the difference between the "ACT With Writing" and the "ACT No Writing?"**
If you plan to apply to UC, register for "ACT with Writing." If you are applying to Cal States or other colleges that don't require the Writing component, register for "ACT No Writing."
- **Is there a fee to send ACT scores to colleges?**
Scores can be sent to up to 4 colleges for free, but you must list them at the time you register for the test. If you do not know where you will be applying, list 4 colleges you are likely to apply to. For additional schools beyond those 4, there is a fee.
