The Governing Board is committed to ensuring the fiscal health of the district and providing public accountability. The Board shall adopt sound fiscal policies, oversee the district's financial condition, and continually evaluate whether the district's budget and financial operations support the district's goals for student achievement.

(cf. 3110 - Transfer of Funds)
(cf. 3300 - Expenditures and Purchases)

(cf. 4143/4243 - Negotiations/Consultation)
(cf. 9000 - Role of the Board)

The Superintendent or designee shall provide the Board with financial reports throughout the year in accordance with law and as otherwise requested by the Board.

The Superintendent or designee shall ensure that all financial reports are prepared in accordance with law and in conformity with generally accepted accounting principles and financial reporting standards stipulated by the Governmental Accounting Standards Board and the California Department of Education. He/she shall establish a system of ongoing internal controls to ensure the reliability of financial reporting.

(cf. 3400 - Management of District Assets/Accounts)

Based on financial reports provided by the Superintendent or designee and in accordance with law and administrative regulation, the Board shall:

1. Approve and file an annual statement of the district's receipts and expenditures for the preceding fiscal year. (Education Code 42100)
2. Adopt a resolution identifying the district's estimated appropriations limit for the current fiscal year and the actual appropriations limit for the preceding fiscal year. (Education Code 42132; Government Code 7910)

4. Provide for an annual audit, select an independent auditor, and review the audit report. (Education Code 41020, 41020.3)

The independent auditor shall present the audit report to the Board at a public meeting and the Board shall have an opportunity to ask questions of the auditor and request further information about the audit findings.

BP 3460

The Board shall regularly communicate the district's financial position to the public and shall use financial reports to determine what actions and budget amendments, if any, are needed to ensure the district's financial stability.

If district conditions predict fiscal distress or indicate that the district might not be able to meet its fiscal obligations, the Board and Superintendent or designee shall act quickly to identify and resolve these conditions. The Board shall work cooperatively with the County Superintendent of Schools to improve the district's fiscal health and may contract with an external individual or organization to advise the district on fiscal matters.
