Mock PSAT/SAT/ACT Testing

Valencia PTSA sponsors mock testing for the PSAT, SAT, and ACT. Each practice test session gives students the opportunity to take a designated test that simulates the environment that students will face when taking the real thing. All practice tests are conducted by Kaplan.

For 2015-2016, three mock testing sessions will be offered:

September 19, 2015 – **Current SAT/ACT combo test OR New PSAT** (choose one)

~8:15 am - 12:30 pm in VHS Library

September 30, 2015 – Scores Back Night

6:30 pm – 7:30 pm in VHS Library

January 9, 2016 – **New SAT/ACT combo test**

~8:15 am – 12:30 pm in VHS Library

All scores will be returned to students via e-mail.

March 12, 2016 – **Full NEW SAT or Full ACT test** (choose one)

~8:15 am – 12:30 pm in VHS Library

March 23, 2016 – Scores Back Night

6:30 pm – 7:30 pm in VHS Library

To sign up for a practice test, registration information will be available in the Counseling Office. Please complete a registration form and submit \$25 cash or check (payable to VHS PTSA). Seating is limited, so reserve your seat in advance. Students will need to check-in the morning of the practice test at 8:15 am. **For all practice tests, students are encouraged to bring 2 sharpened #2 pencils and a calculator.**

For the September and March testing sessions, a separate Scores Back Night will be offered after the test to review test results. Parents and students are encouraged to attend together. For the January test session, test results will be returned to students via e-mail.
