

# SUMMER CAMP KIDS LOVE

At Galileo, we take the fun of traditional day camp and mix it with thoughtfully crafted, hands-on projects in fields from science and engineering to the visual and culinary arts. Supported by the boundless energy and experience of the best staff around, Galileo campers grow with us from pre-K all the way through 8th grade, emerging as confident creators ready to express themselves fearlessly, lead boldly and turn their ideas into reality in high school and beyond. We call them Galileo Innovators and they will change the world.

## CAMP GALILEO

PRE-K – 5TH GRADES

A four-week summer program with one-week options, Camp Galileo offers hands-on art, science, and outdoor activities organized around inspired weekly themes. Monday - Friday, 9 am - 3 pm.
