2018 Terminal Inspection Results

• 1 Finding – (1) employee was not listed in the controlled substance and alcohol random testing pool.
  • Results in an overall unsatisfactory rating.
  • 120 days to correct mistake.
KHSD Response to Finding

• Immediately corrected the mistake and put systems in place to prevent a similar occurrence.
• Directors reviewed the lists and made sure they were aligned.
• More frequent communication and reconciliation to insure pool list is current and up to date.
• Will demonstrate to CHP upon return inspection
Inspection results continued

- Remaining 38 inspection items met or exceeded CHP standards.
