Alternative Credit for Physical Education

High school students may earn one-half credit through participation in approved extracurricular activities according to the following requirements.

- The principal must approve the activity to ensure that the minimum 80 hours of physical activity are included. Appropriate activities may include, but are not limited to, all Tennessee Secondary School Athletic Association sanctioned sports, cheerleading, dance, or marching band. The principal shall provide to the superintendent a list of all approved activities annually.
- The student must submit a *Request for Alternative Credit for Physical Education* signed by the coach/sponsor/teacher verifying participation and completion of the activity.
- The student must successfully complete the entire activity or season with an attendance rate of at least 90%.
- The grade for alternative credit for physical education will be recorded as “pass” on the student’s transcript and will NOT be used in calculating the student’s GPA.
