

Throughout the school year, students will have the opportunity to visit various performances and places of interest. Permission slips will be sent home prior to the event and must be returned by the due date stated on the form in order for your child to participate. It is the responsibility of each student to return the permission slip as phone calls will not be accepted.

A Field Trip Contract will be sent home each autumn outlining specific qualifications of behavior, attendance, and grades that must be obtained for participation in any BAES field trip.

For a quick review of the requirements, view the eligibility guidelines below.

In order for field trips and rewards to be safe, educational and rewarding experiences, each student is required to demonstrate that he/she can display the proper conduct, attendance, and academic standards expected to attend.

- ✓ Student has accrued less than 5 absences per semester, unless documented by a physician (3 tardies equal 1 absence, 3 early pickups before 2:50 PM equal 1 absence).
- ✓ Student has successfully maintained a high standard of behavior at school. (Student will have lost less than 15 points within WVEIS due to disciplinary issues during the Semester).
