

When you link your Kroger Plus Shoppers Card to Annunciation Catholic School, ACS will receive a percentage from Kroger to support our school!

*We recently learned that the Kroger Community Rewards program requires us to renew our ACS designation once per year, during the month of August. If you have already registered, please check our Kroger online account to renew. Or, if you have not had an opportunity to register, **Simply follow these EASY steps:***

1. Visit http://www.kroger.com/community/Pages/community_rewards.aspx. Under Community Rewards, “click here”.
2. Login with your registration information or you can “create a new account” if you are not yet registered.
3. ACS organization number is **80494** or you may search by Annunciation Catholic School. Click the organization box and “save changes”.
4. The screen will then redirect to your Home page information. To see if you have registered correctly, simply click on the “Community Rewards” tab and ACS should be listed.

If not redirected, click on the Orange “My Account” at the top of the screen. On the drop down menu find “Account Settings”. ACS should be listed under your Community Rewards section. If you should have any questions, please contact Kroger online assistance at 1-866-221-4141

Be sure to let your friends and family know so they can support ACS!

If you need assistance with this please contact Kazie Richardson at 662-328-4479
