FALL 2018

SMITH-HUTSON SCHOLARSHIP PROGRAM

APPLICATION INFORMATION

Smith-Hutson Scholarships are intended for **entering freshmen** with established financial need and academic potential who are seeking an undergraduate degree from Lamar University. Taking into account other scholarships that the student may receive and the student's and parents' financial resources, the Smith-Hutson Scholarship typically provides sufficient assistance to cover tuition, fees, books and reasonable living expenses on campus. Students remain eligible to receive a Smith-Hutson Scholarship for a maximum of four years of undergraduate studies, provided the recipient maintains a cumulative grade point average (GPA) of at least a 2.5 and completes a minimum of 30 semester credit hours toward their degree each academic year. If a recipient's GPA falls below a 2.0 in any single semester, the scholarship is subject to termination. Freshmen scholarship recipients are required to live in the same housing unit on campus unless commuting or living with family. Lamar University strongly encourages all qualified students to apply for these scholarships by submitting the required supplemental information in combination with this application. Remember, many qualified applicants do not receive awards. Most recipients qualify for the Pell Grant and all applicants are required to file a Free Application for Federal Student Aid (FAFSA) at <http://www.fafsa.ed.gov/> as early as possible prior to the semester for which they are applying. The student must then follow up on their financial aid status at LU by logging into their Self Serf Banner via <http://www.lamar.edu>. All financial aid requirements should be completed as early as possible. Assistance is available through our Financial Aid Office via telephone (409) 880-8450.

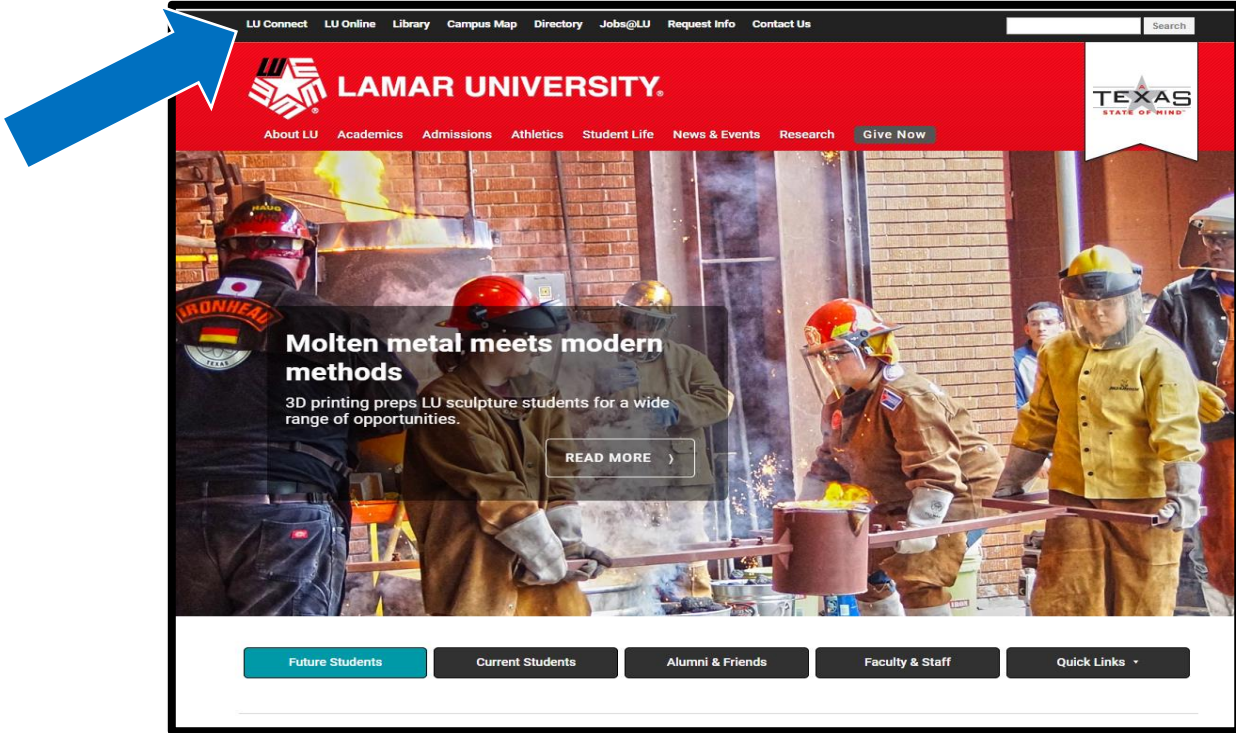

Smith-Hutson Scholarship recipients will be selected by a committee which will include representatives named by the Donor and the Director of Scholarships. The following criteria will be applied. Applicants must: (1) **be a resident of the state of Texas**; (2) **satisfy admission requirements for Lamar University** and have applied or been accepted for admission for Fall 2018; (3) demonstrate financial need supported with a copy of the **2018-2019 Student Aid Report** from the Free Application for Federal Student Aid (FAFSA); (4) provide a personal **essay** describing career goals (maximum two pages double-spaced and one-sided); (5) provide **two letters of recommendation** from non-family members addressing academic potential and/or financial need (it is preferable that at least one of these letters come from a teacher of English or Mathematics in whose class(es) they were enrolled in the last year), (6) **be unmarried with no children**, and (7) be available for a **personal interview**. Applicants who preregister for classes at Lamar University and are then awarded a Smith-Hutson Scholarship must visit with the Undergraduate Advising Center to review their schedules for Fall 2018.

SUBMISSION INSTRUCTIONS: Please complete the **online** scholarship application by following the instructions attached. Your application will be complete upon the receipt of: (1) your most recent **high school transcript**; (2) a copy of the **Student Aid Report** from the Free Application for Federal Student Aid (FAFSA); (3) an **essay** describing career goals; and (4) **two letters of recommendation** from non-family members addressing academic potential and/or financial need.
