

Dear Parents,

RE: Random Metal Detectors Searchers

This memo is to notify you that your son/daughter was randomly selected to be searched as directed by the LAUSD.

As per LAUSD bulletin # BUL-5424.1, we are directed to follow certain guidelines:

1. A random search establishes a specific, unbiased pattern of who is to be searched, i.e., every third person. All students selected will be required to bring all of their personal effects in their possession at the time they are selected, e.g., coat, purse, book bag, backpack, or other similar articles.
2. If, during the course of a search, contraband is observed that is a violation of District or school policy and/or regulations, such items may be confiscated and the student may be subject to disciplinary action.
3. Students who refuse to submit to a wand search consistent with these guidelines may be subject to disciplinary action for defying the valid authority of school personnel. Other persons refusing a search consistent with these guidelines must be escorted off campus.

We are happy also happy to inform you, your child did not have anything that violates District's policies.

Thank you for your understanding and cooperation.
