SUBJECT: REGULAR BOARD MEETINGS AND RULES (QUORUM AND PARLIAMENTARY PROCEDURE)

All Board of Education meetings must be open to the public except those portions of the meetings, which qualify as executive sessions. In accordance with Section 102 of the Open Meetings Law, a “meeting” is defined as an official convening of a public body for the purpose of conducting public business, including the use of videoconferencing for attendance and participation by the members of the public body. A “public body” is defined as an entity of two (2) or more persons which requires a quorum to conduct business, including committees and subcommittees. Reasonable efforts shall be made to ensure that all meetings are held in an appropriate facility which can adequately accommodate any and all members of the public who wish to attend, and meeting facilities shall provide access to persons with disabilities.

Whenever such a meeting is to take place, there must be at least seventy-two (72) hours advance notice in accordance with the provisions of the Open Meetings Law. Notice of other meetings shall be given as soon as is practicable in accordance with law. When the District has the ability to do so, notice of the time and place of a meeting shall be conspicuously posted on the District’s internet Web site.

District records subject to release under FOIL, as well as any proposed rule, regulation, policy of amendment, that are on the Board agenda and scheduled to be discussed at a Board meeting, shall be made available upon request, to the extent practicable, prior to the meeting. Copies of such records may be made available for a reasonable fee. If the District maintains a regularly updated Web site and utilizes a high speed internet connection, such records may be posted on the Web site to the extent practicable, prior to the meeting. The District may, but it is not required to expend additional funds to provide such records.

If videoconferencing or online technology is used to conduct a meeting, the public notice for the meeting shall inform the public that videoconferencing will be used, identify all the locations for the meeting, and state that the public has the right to attend the meeting at any of the locations. Voting may be done through videoconferencing, provided that members can be both seen and heard voting and participating from remote locations.

Regular Board meetings shall take place on the day and time designated by the Board at the Annual Organizational Meeting, except as modified at subsequent meetings of the Board.

It is the responsibility of the Superintendent to prepare the agenda and review it with the Board President for each meeting of the Board. The agenda for each meeting shall be prepared during the week prior to the meeting. The agenda shall be distributed to Board members no later than 48 hours prior to the Board meeting. Whenever the President or other members of the Board wish to bring a matter to the attention of the Board, such request should be made to the Superintendent so that the same can be placed on the agenda. Whenever individuals or groups wish to bring a matter to the attention of the Board, such request shall be addressed in writing to the Superintendent. The Superintendent shall present such matter to the Board.

By-Laws

The District Clerk of the Board of Education shall notify the members of the Board of Education in advance of each regular meeting. Such notice, in writing, shall include an agenda and the time of the meeting.

In the event that a meeting date falls on a legal holiday, interferes with other area meetings, or there is an inability to attend the meeting by Board members to the extent that a quorum would not be present, the Board shall select a date for a postponed meeting at the previous regular meeting, and shall direct the Clerk to notify all members.

Any meeting of the Board may be adjourned to a given future date and hour, if voted by a majority of the Board present.

The Superintendent and members of his/her staff at the Superintendent's discretion shall attend all meetings of the Board. The Superintendent shall attend all executive session meetings of the Board except those that concern his/her evaluation, employment status, and salary determination. The Board may request the attendance of such additional persons as it desires.

Recordings of Meetings

The Board recognizes that advances in technology allow public meetings to be photographed, broadcast, webcast and/or otherwise recorded, by means of audio or video, in a non-disruptive manner and supports the use of such technology to facilitate the open communication of public business. To that end, the Board may adopt rules addressing the location of the equipment and/or personnel used to photograph, broadcast, webcast and/or record such meetings to assure that its proceedings are conducted in an orderly manner. Such rules shall be conspicuously posted during meetings and written copies provided, upon request to meeting attendees.

Public Expression at Meetings

Public expression at such meetings shall be encouraged and a specific portion of the agenda shall provide for this privilege of the floor. At its discretion, the Board may invite visitors to its meetings to participate in the Board discussion of matters on the agenda.

The Board of Education reserves the right to enter into executive session as specified in Policy #1730 – Executive Sessions.

Quorum

The quorum for any meeting of the Board shall be five (5) members. No formal action shall be taken at any meeting at which a quorum is not present. When only a quorum exists, the Board shall act by unanimous vote unless otherwise required by the laws of the State of New York.
