

LMS Weekly Bulletin 3-9-18

Parent teacher conferences will be held on Wednesday, March 14th from 4-6 p.m. The first hour will be setup by pre-arranged appointments. Any parents who feels they need to meet with a teacher should contact the school and schedule a specific time to meet with that teacher(s). The second hour (5-6 p.m.) will be open for drop-in meetings (teachers will be in their classrooms and available on a first come first serve basis).

Message from Mr. May: We will be providing all 8th students with an opportunity to visit Northwest College (NWC), however, they will need your permission to participate in the visit. (Your student should be bringing home a permission slip.). Students will be visiting NWC on **March 15rd from 8:00 a.m. until 12:00 p.m.** They will be able to view some of the academic programs Northwest offers, view the student housing facilities, and get a tour of campus. Our students will eat lunch in the NWC cafeteria, (LMS will pay for all student lunch fees). This is a wonderful opportunity for our students and will give them a chance to see what the future has in store for them.

The LMS student council members are selling butter braid pastries until March 16th. Pastries will arrive on March 26th, right before the Easter break. If you are interested in purchasing pastries, contact the MS office, a student council member, or Ms. Bushnell.

The third quarter ends on March 16th. We will celebrate with an end of quarter dance, however, your student may be held out of the dance if they need time with their teacher for remediation or completion of course work.

Parents, please continue to keep an eye on your student's social media use. We are seeing more students involved in problematic situations that revolve around social media. Having parental locks and the ability to monitor your child's activity is important to keep your child safe. If you have questions or concerns, please don't hesitate to reach out. We have a number of resources we can help direct you towards.

The LMS school activity calendar is continuously updated on the school webpage. Please reference the calendar for school activity information.
