Family Services of Tulare County – 559-741-7310 – 815 W Oak Street Visalia, CA 93291

- Offers counseling services to domestic violence or sexual assault victims, parenting and family strengthening programs, sliding scale fee counseling for individuals, couples, families, and groups, batterers treatment program, anger management program, and emergency and practical support to people with HIV/AIDS and their family members.
- Also offer services to children. Call for more information.

Supportive Housing – 559-749-0725

- Family Services’ Supportive Housing efforts are focused on providing housing and supportive services to individuals with children who have fled violent relationships and who are striving to both recover from the effects of abuse and to become self-sufficient. Additionally, we provide Supportive Housing to individuals and families who have been chronically homeless due to disabilities, mental health problems, and substance abuse. Rental assistance and emergency financial support services are also available to individuals living with HIV/AIDS.
