

MORE THAN LUNCH. IT'S A MOVEMENT!

Our team at WT Café is thrilled to be serving The GLOBE Academy once again!

For those of you who do not know us yet - we started our company in an effort to bring REAL food back to schools. We use only the purest, freshest, all-natural ingredients to make meals kids love (even the picky ones!). Our foods are prepared from scratch daily by our chefs right here in our Sandy Springs kitchen.

We partner with schools to make your children's health a priority, even when they are away from home. When you order from WT Café, you can feel good that your child is receiving the freshest, purest, and highest quality lunch available.

Key components of our program:

- Kid favorite menu prepared with select ingredients that maximize nutrition
- ONLY pure ingredients used - no high fructose corn syrup, added trans fats, artificial flavors, colors, MSG, or added nitrates
- ONLY whole grains for our bread, pasta, and rice dishes
- Fresh fruits, vegetables, house-made soups, and salads (with house-made dressings and baked from scratch croutons) rotate daily
- Nut-free menu and many gluten-free, dairy-free, and vegetarian options
