CQ
(LOCAL)

Note: For Board member use of District technology resources, see BBI. For student use of personal electronic devices, see FNCE.

For purposes of this policy, "technology resources" means electronic communication systems and electronic equipment.

AVAILABILITY OF
ACCESS

Access to the District's technology resources, including the Internet, shall be made available to students and employees primarily for instructional and administrative purposes and in accordance with administrative regulations.

LIMITED PERSONAL
USE

Limited personal use of the District's technology resources shall be permitted if the use:

1. Imposes no tangible cost on the District;
2. Does not unduly burden the District's technology resources; and
3. Has no adverse effect on an employee's job performance or on a student's academic performance.

USE BY MEMBERS
OF THE PUBLIC

Access to the District's technology resources, including the Internet, shall be made available to members of the public, in accordance with administrative regulations. Such use shall be permitted so long as the use:

1. Imposes no tangible cost on the District; and
2. Does not unduly burden the District's technology resources.

ACCEPTABLE USE

The Superintendent or designee shall develop and implement administrative regulations, guidelines, and user agreements consistent with the purposes and mission of the District and with law and policy.

Access to the District's technology resources is a privilege, not a right. All users shall be required to acknowledge receipt and understanding of all administrative regulations governing use of the District's technology resources and shall agree in writing to allow monitoring of their use and to comply with such regulations and guidelines. Noncompliance may result in suspension of access or termination of privileges and other disciplinary action consistent with District policies. [See DH, FN series, FO series, and the Student Code of Conduct] Violations of law may result in criminal prosecution as well as disciplinary action by the District.

INTERNET SAFETY

The Superintendent or designee shall develop and implement an Internet safety plan to:
