Dear Parents,

I wanted to make you aware that your child has been assigned to Ms. Holmes, 3<sup>rd</sup> grade teacher who is currently not certified in Texas. Ms. Homes has been teaching in New York and is working to get her certification in the state of Texas. Ms. Holmes has demonstrated her ability to teach since arriving on the St Anthony campus.

Schools receiving Title I funds must hire and maintain a staff of highly qualified teachers. The School District of St Anthony School employs certificated and highly qualified personnel in accordance with Texas Department of Education requirements and supports not highly qualified teachers in their quest to become highly qualified. Please be assured that your child's teacher will take the necessary examination or submit the approved documentation to attain highly qualified status.

Should you have any questions or need further clarification regarding this matter, please feel free to call and ask to speak to David Ray, Principal.

Sincerely,

David Ray  
Principal  
St Anthony
